The Big Room & Pre-Production

Measuring 11m x 22m, The Big Room is our largest pre-production, recording and event space. Over the years it has played host to a variety of clients, uses and events.

Features

- 8 meter drop acoustic drapes opening in varying degrees to alter the room's sonic properties.
- Floor to floor goods lift.
- Original Victorian brickwork, timber beams and fireplaces.
- Under floor heating, natural light, wi-fi, comfortable seating and small private kitchen.
- Yamaha C3 Baby Grand & Kemble Upright Pianos.

External Door Height: 1.95 m
External Door Width: 0.75 m
Internal Door Height: 1.95 m
Internal Door Width: 0.70 m

The Big Room Floor Plan

BREWPRINT

Our reception includes a communal area hilariously titled Brewprint. All our staff are barista trained and serve coffee, fresh from the Heart & Graft Coffee Roastery.

We're vegan friendly and stock a good range of specialty teas, hot chocolate plus good old builders tea. We've comfy chairs, tables and a shop selling essential accessories.

We're cheaper than most music shops, so please feel free to pop in even if you're not using the studio.

Knowing we have strings, sticks and picks available for those last minute recording emergencies has to be reassuring.

Address

Blueprint Studios
39 Queen Street
Salford
Greater Manchester
M3 7DQ

If you're struggling to find us, please call 0161 817 2525 and allow one of our staff to guide you in.

Parking

Cars

Due to ongoing building work around the studio, our car park can only accommodate up to 5 cars. Until completion, clients can be reimbursed for parking up to £10.00 per day.

Vans

Splitter vans can be accommodated but we require a minimum of 5 days advance notice to reserve bays.

Tour Buses

We can arrange for tour buses to park on Queen Street. Use of these bays must be arranged via the studio manager with a minimum of 5 working days notice.

To reserve bays we require the vehicle REG, LENGTH, MAKE & MODEL.

Loading

Depending on the size of vehicle, gear can either be loaded straight to our goods lift, or via a short push across the car park.

A gazebo is available to shade from the intense Manchester sun, or for shelter on those rare rainy days.

A ramp is also available to store flight cases on the ground floor.
