Parking

Cars

Due to ongoing building work around the studio, our car park can only accommodate up to 5 cars. Until completion, clients can be reimbursed for parking up to £10.00 per day.

Vans

Splitters & vans can be accommodated but we require a minimum of 5 days advance notice to reserve bays.

Tour Buses

We can arrange for tour buses to park on Queen Street. Use of these bays must be arranged via the studio manager with a minimum of 5 working days notice.

To reserve bays we require the vehicle REG, LENGTH, MAKE & MODEL.

Loading

Depending on the size of vehicle, gear can either be loaded straight to our goods lift, or via a short push across the car park.

A gazebo is available to shade from the intense Manchester sun, or for shelter on those rare rainy days.

A ramp is also available to store flight cases on the ground floor.
